SPECIAL MEETING MINUTES
August 16th, 2024**

Mayor Hunt called the meeting to order at 4:30 p.m.

Council Present: Chad Macomber, Julie Knox-Lyon, Carol MacInnes.

Staff Present:

Community Present:

The purpose of this meeting is to allow the City of Fossil Council to discuss Funding/Project Opportunities & Community Needs with Representative Greg Smith. Mayor Hunt discussed the voice of her concerns with the lack of Ambulance EMTs. Councilor MacInnes voiced her concern with the lack of support/strain the Asher clinic is currently putting on our Volunteer Ambulance. A portion of taxpayers funding pays for 24/7 healthcare and home health in our community and it is not being provided. Representative Greg Smith would like to request the council to gather questions to gather answers and strategize off those answers. Councilor MacInnes voiced her concern on the base level of funding not being enough for smaller communities who don't have the staff to apply for additional funding as bigger cities do.

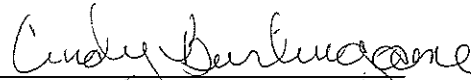

Meeting was adjourned at 6:18p.m.
